1. **CONSIDERATION OF:** Proposed New **NGC REGULATION 1.139, "INDEPENDENT ACCOUNTANT" DEFINED.** To define the term "independent accountant" as a certified public accountant licensed in any state provided that the accountant is permitted to perform services under the provisions of Chapter 628 of NRS; and to take such additional action as may be necessary and proper to effectuate these stated purposes.

**DISCUSSION HELD, MOVED TO SUBMIT TO NGC FOR CONSIDERATION FOR ADOPTION.**

2. **CONSIDERATION OF:** Proposed amendments to **NGC REGULATION 3.015 "APPLICATIONS FOR RESTRICTED LICENSES."** To establish that it will be an unsuitable method of operation to materially change the nature and quality of the primary business conducted at an establishment after the restricted gaming license has been granted by the Commission without the prior administrative approval of the Gaming Control Board Chairman or his designee; to establish that a material change in the nature and quality of the primary business is presumed to occur if a zoning change is required, or a new business license, special use permit, or any other license, permit or approval must be obtained from the applicable city, county, or township licensing, zoning or approval authority, in order to change or operate the primary business in a manner that is different from what was being conducted at the time the gaming license was granted; and to take such additional action as may be necessary and proper to effectuate these stated purposes.

**DISCUSSION HELD, MOVED TO SUBMIT TO NGC FOR CONSIDERATION FOR ADOPTION.**

3. **CONSIDERATION OF:** Proposed amendments to **NGC REGULATION 6.010, "DEFINITIONS"**. references to surveillance standards in light of Nevada Gaming Commission Regulation 5.160 and Surveillance Standard 10; to change a notification method from facsimile to electronic mail; to modify the table game minimum bet requirement; to modify the supervision requirements imposed on gaming salons; to change front money deposit financial admission criteria; to limit the amount of time a guest may be present in a gaming salon absent a present salon patron; to allow a licensee to apply for more than one gaming salon in its initial application concerning gaming salons; to delete provisions that are redundant with other law; to allow gaming salons for the purpose of maintaining existing revenue; and to take such additional action as may be necessary and proper to effectuate these stated purposes.
