This public comment agenda item is provided in accordance with NRS 241.020(2)(c)(3) which requires an agenda provide for a period devoted to comments by the general public, if any, and discussion of those comments. No action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action will be taken. Comments by the public may be limited to three minutes as a reasonable time, place and matter restriction, but may not be limited based upon viewpoint.

**PUBLIC COMMENTS AND DISCUSSION: Comments taken from Nicolay Panchev regarding Peter Panchev.**

Good morning. My name is Diamante Asberry, here on behalf of the Culinary Union.

Station Casinos is a company with a long history of undermining election results. Station workers have time and time again won the vote to unionize only to see their employer try to deny the power of that vote.

Last month, *Time Magazine* published an article about how some companies will do just about anything to stop workers from unionizing and the article talked about Station Casinos and what companies do to undermine union elections.

An example from the article in *Time* is a so-called Station Casinos MUD list of its own workers. Station Casinos executives allegedly ordered supervisors to prepare a "MUD list" to indicate which employees were pro-management, pro-union or don't know. So MUD is acronym where M meant "management," U meant "union" and D meant "don't know."

How would it make you feel if your boss put you on a MUD list? Workers at Station Casinos voted for the union and won elections. They won the vote by large margins at Station Casinos properties and won the vote despite Station Casinos fighting their organizing efforts. 67% voted Yes for the union at Boulder Station, 78% at Green Valley Ranch, 82% at Sunset, and 85% at Fiesta Rancho in

June 2019. After a lengthy hearing about an election at Red Rock, an NLRB Administrative Law Judge recommended that the NLRB find Red Rock guilty of widespread labor law violations, and a federal judge in Nevada found the evidence so convincing that she issued a rare injunction and interim bargaining order. Maybe it's no surprise that it was about the time of the Red Rock election that Station Casinos started using MUD lists.

The MUD list started in September 2019. Station Casinos executives ordered supervisors to take the time to create an itemized list of who is with us and who is against us. Station used these MUD lists in its efforts to bust the union.

We have to pick a side. The side of Station Casinos MUD lists, election interference, and election undermining. Or the side that respects the vote and respects democracy. Thank you.

Hello. My name is Norma Flores. I worked for Station Casinos as a waitress for 20 years.

In <sup>2010</sup> ~~2005~~, Station Casinos closed the coffee shop at Fiesta Henderson where I was working at the time. That decision caused me to lose my house.

In my 20 years of service to Stations, I feel like they did not value my hard work and sacrifice. I only took vacation time once in those 20 years.

I was laid off from Fiesta Henderson during the pandemic. I applied at 3 job fairs that Stations held after the pandemic. I was a union committee leader. They rejected my applications.

After 20 years of hard work and sacrifice I didn't receive even \$1 of severance pay.

We, the workers, ask for justice for all our service and sacrifice.

Thank you.
