NOTICE

Notice # 2011-64

Issuing Division: Administration

DATE: SEPTEMBER 30, 2011

TO: ALL LICENSEES AND INTERESTED PERSONS

SUBJECT: PROCEDURE ON INDUSTRY NOTICES AND NOTICES OF PUBLIC MEETINGS OF THE GAMING CONTROL BOARD AND NEVADA GAMING COMMISSION

Please be advised that effective immediately, the State Gaming Control Board (GCB) and the Nevada Gaming Commission (NGC) will begin providing all notices by e-mail delivery.

On September 22, 2011, the NGC amended Regulation 2.070—Service of Notices in General—which provides that each licensee and applicant **shall provide an e-mail address** to the GCB and the NGC for the purpose of sending notices and other communications (see Regulation 2.070 printed on back of this notice). In accordance with this regulatory amendment, please submit your establishment name, license number and e-mail address for the appropriate regulatory compliance contact within your organization to: **notices@gcb.nv.gov**

The GCB and NGC will continue to post notices of all public meetings, including public regulation workshops and monthly GCB and NGC meetings on the GCB web site (<http://gaming.nv.gov>) and post hard copies of the notice of meeting at the GCB Carson City and Las Vegas offices and in three other prominent places, pursuant to Nevada's Open Meeting Law. Interested persons may sign up for the GCB e-mail list and may additionally receive these notices by signing up for the GCB's RSS feed from the home page of our web site. The RSS feed provides timely and convenient access to notices of GCB and NGC public meetings as well as other notices to the gaming industry.

The GCB and NGC expect our notice mailings to be completely automated by November 30, 2011. You may receive hard copy and e-mail notices during this period, so please bear with us during this transition. With questions please contact Adriana Fralick at afralick@gcb.nv.gov or 775-684-7778.

Nevada Gaming Commission Regulation.

2.070 Service of notices in general.

1. *Each licensee and applicant shall provide an electronic mail address to the commission and the board for the purpose of sending notices and other communications. Each licensee and applicant shall verify to the commission and the board the accuracy of this electronic mail address on January 15th of every year and update this electronic mail address immediately as often as is otherwise necessary. The original provision and subsequent verifications of electronic mail addresses shall be made to the board's custodian of records on forms designated by the chairman of the board.*

2. Except as otherwise provided by law or in these regulations, notices and other communications will be sent to an applicant or licensee by electronic mail at the electronic mail address of the establishment as provided to the commission and the board for the purpose of sending notices and other communications. Except as otherwise provided by law or in these regulations, notices and other communications sent by electronic mail shall satisfy any requirement to mail a notice or other communication.

3. Notices shall be deemed to have been served on the date the commission or the board sent such notices to the electronic mail address provided to the commission and the board by a licensee or applicant, and the time specified in any such notice shall commence to run from the date of such mailing.

4. *Any applicant or licensee who desires to have notices or other communications mailed to a physical address shall file with the commission and the board a specific request for that purpose, and notices and other communications will, in such case, be sent to the applicant or licensee at such address.*

5. An applicant or licensee will be addressed under the name or style designated in the application or license, and separate notices or communications will not be sent to individuals named in such application or license unless a specific request for that purpose is filed with the commission and the board.

(a) In the absence of such specific request, a notice addressed under the name or style designated in the application or license shall be deemed to be notice to all individuals named in such application or license.

(Amended: 10/82; 9/11.)
