NOTICE TO LICENSEES

Notice #2022-44

Issuing Division: Tax and License

DATE: May 10, 2022

TO: Operators of a Slot Machine Route

FROM: Phil Katsaros, Board Member

SUBJECT: **Slot Route Operator Informational Report (NGC-36)**

Effective fiscal year 2023 (beginning July 1, 2022), the Nevada Gaming Control Board ("Board") will no longer require information related to nonrestricted gaming locations (Group I's and Group II's) to be included in the Quarterly Slot Route Operator Informational Report ("NGC-36"). However, for the current quarter (ending June 30, 2022), affected licensees are required to include such information for Group I and Group II locations.

The Slot Route Operator Informational Report can be submitted using the Board's online filing system ("online system"). The link to the online system is available on the Board's website under the [Tax Forms](#) heading. The Slot Route Operator Informational Report must be submitted to the Board on or before the last day of the month following the calendar quarter.

Operators of a slot machine route must continue to maintain all information pertaining to the nonrestricted gaming locations, and provide such information to the Board upon request.

If you have any questions relating to this matter or concerning the online system, please contact the Tax and License Division at (775) 684-7770.
