

# 1 Off Tie Baccarat

## Rules of play

1 Off Tie Baccarat is an optional side bet for the standard game. It is played using eight decks of 52 cards. The rules and general dealing procedures are as follows:

1. To begin, players place wagers on the main Baccarat game and may also place an optional 1 Off Tie side bet.
2. The main Baccarat hand is dealt following normal procedures, using the standard drawing rules. The wagers of the main Baccarat game are resolved first.
3. If the Banker's hand and the Player's hand tie, or if the Banker's score and the Player's score is one point apart, the side bet is paid according to the chosen payable (see below).
4. This side bet loses if the Banker's score and the Player's score are two or more points apart.
5. 1 Off Tie Baccarat is offered in two configurations (licensee discretion). In one configuration, the side bet is paid regardless of whether the Banker or Player wins; in the other configuration, the wager must be placed on the winning hand in order to win.
