

3 Card Shine

Rules of Play

Introduction

3 Card Shine is a poker based game that uses a standard 52-card deck. Each player and the dealer are dealt three cards. Prior to the cards being dealt, players can choose from three different wagering opportunities: Play against the dealer, the Pair XXX side bet or the Super 6 Bonus side bet.

Ranking of Hands

Cards are ranked from highest to lowest as follows:

STRAIGHT FLUSH
THREE OF A KIND
STRAIGHT
FLUSH
PAIR

If a hand does not contain a pair or better, the hand that contains the highest ranking card(s) wins. Ace is high except in 3-2-Ace sequence.

1. Playing Against the Dealer – Ante/Play Wager

The object of playing against the dealer is to get a three card poker hand with a value higher than the dealer's qualifying hand of a Queen or better. Players place an ANTE wager. After looking at their three card poker hand, players may fold, or place a Play wager equal to the ANTE wager.

The dealer reveals all cards and resolves the wagers as follows:

- | | |
|--|--|
| • Player folds | ANTE is a LOSS |
| • When dealer does not qualify | PLAY is a PUSH
ANTE wins 1 to 1 |
| • When dealer qualifies and player's hand beats dealer's hand | PLAY wins 1 to 1
ANTE wins 1 to 1 |
| • When dealer qualifies and dealer's hand beats player's hand | PLAY is a loss
ANTE is a loss |
| • Dealer qualifies and dealer's hand and player's hand tie | PLAY is a push
ANTE is a push |

If the player made the Ante wager and has a Straight or higher, the player will receive an Ante Bonus, regardless of the value of the dealer's hand.

See posted pays for Ante Bonus.

2. PAIR XXX- Side Bet

Pair XXX is an optional wager where the player is wagering on the outcome of their three card hand. If the player's three card hand contains a pair or better the player wins the PAIR XXX wager. All other outcomes lose. **Players receive PAIR XXX payouts regardless of the dealer's hand.** See Posted pays for PAIR XXX.

3. Super 6 Bonus- Side Bet

Super 6 Bonus is an optional wager where the player is wagering on the outcome of the player's three card hand combined with the dealer's three card hand. If the player's three card hand combined with the dealer's three card hand contains a 3 of a kind or better, the player wins the Super 6 Bonus wager. All other outcomes lose. **Players receive Super 6 Bonus payouts regardless of the dealer's hand.** See posted pays for Super 6 Bonus.
