Rules of play

3 Card Win Baccarat includes two optional side bets for the standard game: Banker 3 Card Win and Player 3 Card Win. The game is played using eight decks of 52 cards. The rules and general dealing procedures are as follows:

2. The main Baccarat hand is dealt following normal procedures, using the standard drawing rules. The wagers of the main Baccarat game are resolved first.
3. If the Banker's hand wins with 3 cards, the wager on Banker 3 Card Win is paid according to the chosen payable (see Banker payable below). Otherwise, the Banker 3 Card Win side wager is lost.
