

# Aquarius Roulette

## Rules of Play

Aquarius Roulette is a variation to the standard game of Roulette played with a 38 spot wheel. The 38 spots are labeled with signs/symbols: Sun, Moon, Crab, Justice Scale, Bull, Scorpion, Fish, etc. The player may bet that the ball will land on a particular color, sign or one of a group of signs.

To begin, players place single or multiple wagers in accordance with the minimum and maximum amounts posted.

The wagers are as follows:

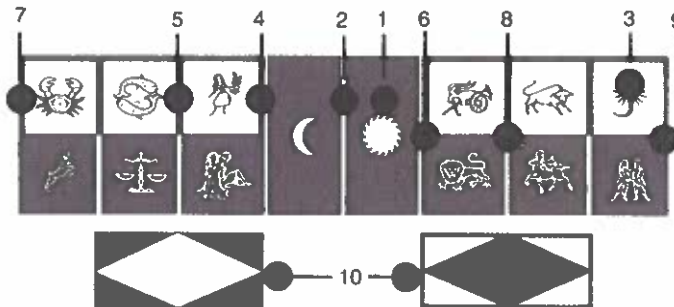

- Sun or Moon 35 – 1
- Sun plus Moon 17 – 1
- Single Sign 11 – 1
- Sun or Moon plus Sign 8 – 1
- Two Signs split 5 – 1
- Sun or Moon plus two Signs 4 – 1
- Three Signs 3 – 1
- Four Signs 2 – 1
- Six Signs 1 – 1
- Colors 1 – 1

Even Chances:

Colors are paid once i.e. a player having staked one chip will receive one chip plus his stake. The amount of the stake is given back on all winning chances.

AQUARIUS is a variation of the traditional game of roulette. The method of play and the rules of the two games are similar.
