

## RULES OF PLAY

*Bet the Set "21"* is an optional bonus wager for blackjack that considers the first two cards a player receives. If the player's first two cards are a pair, colored pair or suited pair, the player wins. The player's hand is independent of the dealer's hand and is unaffected by the dealer's blackjack. *Bet the Set "21"* uses a standard 52-card deck. Follow standard house procedures for the total number of decks to be used.

### **Dealing Procedures**

1. Each player makes a standard blackjack wager. They may also make the *Bet the Set* (Pair Square®) wager.
  - a. If casino rules allow, a player may play multiple hands.
  - b. A player playing multiple hands may place a *Bet the Set* wager on none, one or all of his hand.
2. The dealer then follows house procedures for dealing blackjack.
3. Once each player has received two cards, the dealer settles all *Bet the Set* wagers according to house procedures. If a player's first two cards are a pair or suited pair, they win according to the posted payable. If the player's first two cards are not a pair, they lose their *Bet the Set* wager.
  - a. All bonus payouts apply to the player's first two cards only.
4. Winning *Bet the Set* wagers will be paid in front of the Pair Square and pushed off toward the player.

### **Pay and Take**

When the cards are dealt face up, the *Bet the Set* wagers will be settled immediately after everyone receives their first two (2) cards. Winners will be paid and losing bets will be picked up in order of placement from the dealer's right to left. Then, normal blackjack play will resume.

When the cards are dealt face down, the *Bet the Set* wagers will be settled on a hand to hand basis, as the dealer goes from left to right asking for hit/stand determinations.
