

Blackjack Xtra Any Two Card Twenty V3

Rules of Play

Blackjack Xtra Any Two Card Twenty is a variation of the standard game of blackjack. The player who receives any two card twenty in their first two cards, is awarded 5-7 to 1. Otherwise, the side wager is lost. A King-Queen combination will pay 10-12 to 1.

The player may bet on their first two cards or the dealer's first two cards.

All other aspects of the standard game of blackjack remain unchanged.
