

Introduction:

Buster Blackjack may be played with one to eight decks of cards. All house rules apply to the standard game of Blackjack.

Dealing Procedures:

To begin, players must place a standard Blackjack wager and the optional Buster Blackjack side wager. After all wagers have been made, the standard Blackjack game continues per house rules.

If the dealer has a blackjack, all Buster Blackjack side wagers lose.

If a player who made the side wager has a blackjack and the dealer does not have a blackjack, the dealer will pay the player's blackjack wager, tucking the player's two cards face up under the player's Buster Blackjack wager to indicate that the side wager remains in action.

If a player who made the side wager busts, the dealer will collect the player's blackjack wager and tuck the player's cards face up under the player's Buster Blackjack wager to indicate that the side wager remains in action.

NOTE: As long as there are Buster Blackjack bonus wagers remaining in action, the dealer must complete his hand so the outcome of the side wager can be determined. This is done even if all the players have busted and/or received a blackjack.

If the dealer's completed hand does not exceed 21, all Buster Blackjack wagers lose.

If the dealer's completed hand exceeds 21, the dealer will pay all Buster Blackjack wagers based on the number of cards in the dealer's hand (see payable example for odds).

Dealer Busts With	Paytable A
8 or more cards	200 to 1
7 cards	50 to 1
6 cards	12 to 1
5 cards	6 to 1
4 cards	2 to 1
3 cards	1 to 1

Dealer Pays Feature

A casino operator may elect to include a dealer incentive feature called “Dealer Pays” in addition to the Buster Blackjack wager payout. A winning Buster Blackjack hand by the player will automatically trigger a payout contribution to be received by the dealer. The dealer portion of the payout is not subtracted from the winning player wager, but rather paid out separately to the dealer on the game. The Dealer will receive a fixed dollar amount based off the payable. The Dealer is eligible for an incentive payout for each Buster Blackjack wager made.

Dealer Busts With	Paytable A (Payable to Dealer)
8 or more cards	\$100
7 cards	\$10
6 cards	\$3
5 cards	\$2
4 cards	\$1
3 cards	N/A

NOTE: As long as there are Buster Blackjack bonus wagers remaining in action, the Dealer Pays feature remains active along with the corresponding Buster Blackjack wager. The hand must be completed so the outcome of the side wager can be determined. This is done even if all the players have busted and/or received a blackjack.
