# Buster Blackjack

## Rules of Play

Buster Blackjack may be played using one to eight standard 52 card decks. All house rules apply to the standard game of Blackjack.

To begin, players place a standard Blackjack wager and the optional Buster Blackjack side wager. After all wagers have been made, the standard Blackjack game continues per house rules.

If the dealer has a blackjack, all Buster Blackjack side wagers lose.

The Buster Blackjack side wager will remain in action whether or not the player busts or is dealt a blackjack.

If the dealer's completed hand does not exceed 21, all Buster Blackjack wagers lose.

If the dealer's completed hand exceeds 21, the dealer will pay all Buster Blackjack wagers based on the number of cards in the dealer's hand.
