

## CHASE THE FLUSH PROGRESSIVE

### **RULES OF PLAY**

1. Chase The Flush Progressive is an optional progressive side wager.
2. The progressive wager considers the best flush hand possible among the player's three-hole cards and the four community cards. If the player's hand consists of a 3-card straight flush, the progressive side wager pays according to the payable below. Otherwise, the side wager is lost.

Hand	Paytable
7-Card Straight Flush	Star Progressive
6-Card Straight Flush	Spade Progressive
Ace-King-Queen-Jack-Ten Suited	Heart Progressive
5-Card Straight Flush	Diamond Progressive
Ace-King-Queen-Jack Suited	\$250
4-Card Straight Flush	\$150
Ace-King-Queen Suited	\$100
3-Card Straight Flush	\$25

3. To begin, players must make their regular game's wagers. They may optionally place any available side wagers and the Chase The Flush Progressive wager. Players must place the progressive wager on the sensor in front of their betting position.
4. The dealer then follows standard procedures for dealing the regular base game.
5. The dealer will then resolve the base game wager(s), side wager(s) and the progressive wager.

Note: The casino will follow internal controls/house policies for progressive payout procedures.
