

# Four Card Poker Bonus

## Rules of Play

1. Four Card Poker Bonus features an optional side bet.
2. The bet considers the best hand possible among the player's four cards in play. The bonus bet wins on a three-of-a-kind or better.
3. A player making the bonus side wager may also qualify to win an envy payout. If another player wins a hand associated with an envy pay, all other players who made the bonus wager will be awarded the envy payout. A player cannot receive both awards.
4. Payouts below:

Hand	Paytable FCPB-01
4 Aces	5,000 to 1
Four of a Kind	500 to 1
Straight Flush	300 to 1
Three of a Kind	15 to 1

Hand	Paytable FCPB-02	Envy Payout
4 Aces	5,000 to 1	\$200
Four of a Kind	550 to 1	\$10
Straight Flush	225 to 1	\$5
Three of a Kind	15 to 1	

Note: The recommended minimum bet is \$1.

5. To begin each round, players make their standard Four Card Poker wagers and, if they like, the bonus side wager.
6. The dealer then follows house procedures for Four Card Poker.
