

Hole Card Bonus Game Description/ Rule of Play

Hole Card Bonus is an optional wager that can be configured with any card game that uses a single standard 52-card deck, and which deals at least two cards to the player. The player must place the Hole Card Bonus wager at the beginning of the game, before any cards are dealt.

The Hole Card Bonus wager is resolved based on the first two cards dealt to the player. If the cards satisfy one of the qualifying conditions, the wager wins and pays according to highest eligible scenario, as given in [Table 1](#). Otherwise, the wager loses.
