RULES OF PLAY

1. Jackpot Party Blackjack Progressive is an optional progressive wager for blackjack.
2. Players must make a standard blackjack wager in order to participate in the Jackpot Party Blackjack Progressive bonus wager.
3. Jackpot Party Blackjack Progressive considers both the player's first two cards and the dealer's first two cards. Payouts start when the dealer's up-card is an Ace and increase when the dealer has blackjack. See payable for odds.
4. To begin each round, players must make their standard blackjack wager. They may also place the progressive wager. Players must place the progressive wagers on the sensor in front of their betting position. The sensor will light up.
5. Once all players place their bets, the dealer will press "START GAME" on the keypad. The sensors will then light up, indicating a progressive wager. The dealer will remove all progressive wagers on the table.
6. The dealer follows house procedures for blackjack.
7. After all player decisions have been made, the dealer reveals their hole card and they may resolve the progressive wager immediately.
 - a. Working from right to left pay or take primary wager first.
 - b. Pay the progressive wager (if applicable) per the progressive procedures.
 - c. Only the highest payout applies.
