

Let That Ride Roulette

Rules of Play

"Let That Ride Roulette" is an optional side bet for the game of Roulette.

The game is played over two (2) consecutive spins.

If a player wins any Roulette bet, they are asked by the dealer if they wish to 'Let That Ride.' If the player agrees, the bet stays for the next spin. If the player wins the same bet again, they are paid according to the payable (See sample below). Otherwise, the side bet is lost.
