

LUCKY LADIES

Game Description

Lucky Ladies is an optional side bet for blackjack played using a standard 52-card deck of cards. To begin, players must make the standard blackjack bet to place the Lucky Ladies side bet.

Players are paid against a payable if they are able to create a qualifying hand that totals 20 using the player's first two cards. Dealers are paid against a payable if the player's hand creates a qualifying hand of a suited 20 or better.
