

Luck Ladies

Game Description

Lucky Ladies is an optional bonus and progressive wager for a standard Blackjack game that can be played with 2-8 standard 52-card decks. The object of *Lucky Ladies* is for the player's first two cards to equal a total of 20 and are paid according to corresponding payable(s). The *Lucky Ladies* wager is not dependent on the base game's outcome.

Rules of Play

1. To begin each round, players must place a primary blackjack wager and, optionally, a *Lucky Ladies* bonus and/or progressive wager.
2. After all wagers have been placed, two cards are dealt to each player face up and two cards are dealt to the dealer, one face up and one face down, per standard blackjack dealing procedures.
3. The dealer then reconciles all *Lucky Ladies* wagers based on the player's first two cards.
 - a) Note that the top award(s) are based on a player Queen of Hearts Pair with a dealer blackjack.
