

Lucky Lucky Four 7's Promo

The Lucky Lucky four 7's promo is a promotion offered by the casino operator using a four-card Blackjack hand with payouts ranging from \$25,000 to \$1 Million.

Rules Of Play

Optionally, the casino operator may offer the Four 7s Promo with the *Lucky Lucky Side Bet*. The Four 7s Promo is an additional jackpot that is paid on top of the underlying *Lucky Lucky Side Bet* payable if the two initial cards dealt to the player and the two initial cards dealt to the dealer form a 7777. The Four 7s Promo hand configurations pay anywhere from \$25,000.00 to \$1,000,000.00.

The player does not need to place any additional wagers to qualify for the Four 7s Promo payouts, any wager on the Lucky Lucky will qualify to win the promotion. Some houses will put a minimum wager to qualify for example anyone with a minimum wager of \$5 will qualify to win the Jackpot.
