

## Rules of Play

Pair Fortunes is a side bet for pai gow tiles. Players win if their four tiles contain a pair. It does not matter how players set their hand; if they have a pair, they win.

Players may make the Pairs Fortune wager within specified betting limits. If the house permits, they may make this bet for more than their standard pai gow wager. Payouts:

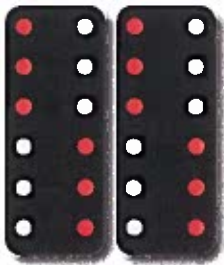

Player Hand	Payouts
Gee Joon Pair and Heaven Pair	250 to 1
2 Pair	25 to 1
Gee Joon Pair	8 to 1
Mixed Pair	5 to 1
