Pure Pairs Rules of Play

Pure Pairs is an exciting and easy to understand new side bet for Blackjack. The game is played on any standard Blackjack table and does not alter the regular rules of Blackjack.

Pure Pairs Overview

To participate, the player places a side bet on the Pure Pairs spot indicated on the table layout, in addition to a regular Blackjack bet. If the first two cards dealt to the player are either a Mix Pair, Color Pair or Pure Pair, the player wins according to the pay table.

The Pure Pairs side bet is finished once the initial two card deal is complete, allowing the player's Blackjack playing strategy to remain unaffected.

Game Rules

1. Before any cards are dealt, the player places a Pure Pairs side bet, in addition to placing a regular Blackjack bet.
2. A Pure Pairs bet wins if the first two cards dealt to the player are a pair (see Pure Pairs pay table). The side bet loses if the first two cards dealt to the player are not a pair.
3. After each player has been dealt the first two cards, the Dealer will collect all losing wagers and pay out any winning Pure Pairs bets per the pay table.
4. The Dealer will continue with standard Blackjack game play according to regular procedures.
