

Rio Lucky Pair Blackjack

Rules of Play

Rio Lucky Pair Blackjack is played using four or six standard 52 card decks. The game is an optional side wager based on the player's first two cards.

To begin, players wager on the primary game of Blackjack and may also place a Rio Lucky Pair Blackjack side wager.

If the first two cards dealt to the player are a pair (i.e. 2 & 2, 6 & 6, Jack & Jack), the Rio Lucky Pair Blackjack side wager wins and is paid 11 to 1. Otherwise, the side wager is lost.

The primary game of blackjack then resumes as normal.
