

## RULES OF PLAY

Spiral 26 Blackjack is a variation of standard blackjack that can be played using 2, 6 or 8 decks.

To begin, players make the standard Blackjack wager. Blackjack is dealt per house procedures and according to the following rules:

- Dealer hits on soft 17

- Up to four split hands allowed

- Blackjack pays 3 to 2

- Cannot hit split Aces

- Dealer peeks for Blackjack

- Aces may be re-split and receive one card only, or no resplitting Aces

- Surrender allowed or surrender not allowed

- Players may double on any number of cards, including after splitting.

A dealer final total of 26 results in all remaining hands being paid  $\frac{1}{2}$  (half) of their wager. A player blackjack is paid prior to the dealer resolving their hand and are paid regardless of the final outcome of the dealer's hand.
