

Tiger 6

Rules of Play

Tiger 6 is an optional side bet for the standard game of Baccarat. The side bet is available on commission and commission-free baccarat games and is played using eight 52-card decks.

To begin, players may place the standard Baccarat wagers. They may also place the Tiger 6 side bet and/or any other side bets made available.

Note: If standard baccarat wagers are made, the Tiger 6 side bet minimum wager is \$5. Otherwise, the house sets all minimum and maximum betting limits.

Baccarat is dealt following standard rules and procedures.

The Tiger 6 side bet wins if the Banker has a winning hand with a score of six (6).

The Tiger 6 pay schedule is as follows:

- 13 for 1 (12 to 1) when the Banker wins the hand with a score of six (6) with two (2) cards.
- 21 for 1 (20 to 1) when the Banker wins the hand with a score of six (6) with three (3) cards.
- All other outcomes lose.
