

Rules & Procedures

INTRODUCTION

Trifecta 3 is an optional side bet for traditional blackjack played with four, six or eight standard 52 card decks. Players combine their first two cards with the dealer's up-card to make a three-card hand. Trifecta3 pays higher odds when a player makes Three of a Kind, Straight Flush or Three of a Kind (Suited).

RULES OF PLAY

1. To begin, players must place a standard Blackjack wager along with an optional **Trifecta 3** side wager. After all wagers have been made, the standard Blackjack game continues per house rules.
2. Players are dealt their standard two cards; these two cards and the dealer's up card are combined to form a three-card poker hand.
3. **Trifecta 3** side wager, if the player qualifies with a Three of a Kind, Straight Flush or Three of a Kind (Suited), they will be paid according to posted payable.
4. If players do not make a qualifying hand, the side wager loses.
5. After all **Trifecta** and/or **Trifecta3** side wagers have been settled, standard Blackjack game continues per house rules.
