

# Up-Card Match Blackjack

## Rules of Play

Up-Card Match Blackjack is a variation to the standard game of 21. Up-Card Match Blackjack is an optional side wager based on the outcome of the dealer's up card.

To begin, players make the standard Blackjack wager and may then wager on the 'red' or 'black' Up-Card Match Blackjack betting circle. If the player wagered on the correct color, the player wins and is paid even money. Otherwise, the Up-Card Match Blackjack side wager is lost. The player cannot win on a two (2) but can push if the two is the correct color wagered upon.
