The Nevada Gaming Control Board’s Enforcement Division announces the launch of online Book Wagering Reporting beginning October 1, 2019.

Each licensee responsible for the submission of Book Wagering Reports must designate one or more users to submit these reports online and ensure such persons have access accounts for the system. This must be done by the Location Administrator for each property. If you have any questions regarding this process, please contact Rebecca Garcia in the Enforcement Division at (702) 486-2210 or rgarcia@gcb.nv.gov.
