REQUEST FOR FINAL APPROVAL

GCB RECOMMENDS: FINAL APPROVAL.

NGC DISPOSITION: FINAL APPROVAL GRANTED.

Good morning. Aira Duyanen for the Culinary Union. My comments are about Durango Casino and Resort's Vice President and General Manager David Horn. Last week, we contacted the Nevada Gaming Control Board about Mr. Horn's gaming license history and was informed he was first registered in June 2006. On February 22, 2024, the Nevada Gaming Commission approved his application for licensure as a key employee at Durango.

An employer and a GM like David Horn violates federal labor law by encouraging, promoting, or providing assistance to employees seeking to decertify their union. On January 11, 2020, Horn, who at the time was Palace Station's VP and GM, texted a colleague and referred to the Station Casinos Senior Vice President of Labor Relations and Strategy. "[He] says to get me the names of the people who can help with decertification but don't get directly involved." The term decertification refers to a process of a union's status as bargaining representative is eliminated. By February 25, 2020—a little over a month after the Horn text—Station Casinos' Corporate HR department was in possession of a document entitled "Corporate Human Resources Project List." One line on that document reads "Underground decertification strategy on-going."

Station Casinos withdrew recognition from the Union at Palace Station on September 21. The next day, GM Horn texted Terry D. "I got the decertification of the Union completed. We submitted to them yesterday. Fucking lost part of my life in taht process. Craziest deal ever."

In a span of nine months, GM Horn's statements went from "don't get directly involved" to "I got the decertification of the Union completed." If GM Horn were directed to assist Station Casinos in violating federal tax law, we assume you would have a serious problem with that. We also assume that if the National Labor Relation Board finds that GM Horn was directed to assist Station Casinos in violating federal labor law by supporting a decertification effort, you would have a serious problem with that too. We believe a Nevada gaming license holder who is a Vice President and General Manager of a casino resort should be held accountable for any role he may be found to have played in unlawful activity. And

at the very least, the Board should have zero tolerance for “underground strategies” that undermine the stability of the industry. Thank you.

**“I got the decertification

Craziest deal ever.”**

My name is Thomas Principe. I am 24 years old. I have been a part time Bellman at Green Valley Ranch for 11 months.

Before my job with Station Casinos, I was working as a part time bellman at The Mirage where I had a Culinary Union contract. At the Mirage, I was getting 30 hours a week, 8 hours guaranteed a day, and \$17 starting hourly pay with guaranteed raises. I was living by myself and was comfortable financially.

Now, working at Green Valley Ranch, I am making only \$13 an hour. Oftentimes I check our weekly schedule, and am disappointed by seeing only 8 hours posted for me the entire week. I am rarely given a full 8 hour shift. I usually work odd hours such as 5 or 7 hours for the day. I feel as though I am not truly a part timer, but a glorified on-call worker, and that's hoping that I do get called in. I am currently living back home with my parents. With the rising price of living today, I don't

know how I could even be able to live on my own with my Green Valley Ranch current wages and hours.

When I was covered by a contract with the Culinary Union, I felt safe knowing that I had protection for work hours and livable wages.

9 years ago, GVR workers voted to go union with a 78% vote. A union contract gives transparency and most importantly respect to someone, like me, who is just trying to survive.

Workers at Station Casinos deserve these things.

I ask you, the Nevada gaming regulators, to take what younger people like me say very seriously, because if younger people don't see that they have an opportunity for a career in this industry, then the industry's future may be in trouble.

Thank you for listening and your understanding.
