NGCB Announces the Indictment of William West Roberts on Illegal Sports Betting Business and Money Laundering Charges

The Nevada Gaming Control Board announced today that a Clark County grand jury indicted William West Roberts on September 29, 2026, on charges involving the operation of an illegal sports betting business and money laundering.

The indictment follows a multi-year investigation. Roberts was arrested in April 2026, after investigators identified that Roberts was accepting sports wagers through a website based in Costa Rica.

The Nevada Gaming Control Board remains committed to protecting the integrity of Nevada's gaming industry and will continue to aggressively investigate any activity that threatens the fairness and public confidence of regulated sports wagering.

No further details are being released at this time.
