Card Distribution Rules

1. Standard Deck Games

- A standard deck consists of fifty-two (52) cards.
- Games using a standard deck shall involve a total of **5, 6, 7, 8, 9, 10, 11, or 12** cards dealt collectively to the player, dealer, and any community cards, as applicable.

2. Joker Deck Games

- A Joker deck consists of fifty-three (53) cards: the standard fifty-two (52) cards plus one (1) Joker.
- Games using a Joker deck shall involve a total of **14** cards dealt collectively to the player, dealer, and any community cards.

SPADEZ Side Wager Rules

3. Wager Basis

- The SPADEZ side wager shall be resolved based on the total number of cards bearing the **Spade suit** among all cards dealt to the player, dealer, and any community cards.

4. Joker Treatment

- For purposes of the SPADEZ side wager, the Joker shall be deemed to represent a **Spade**.

5. Winning and Losing Conditions

- If the conditions for a winning outcome, as defined by the posted pay table, are not satisfied, the SPADEZ side wager shall be deemed a **loss**.

Card Reveal Procedure

6. Resolution of Side Wager

- Where applicable, when a SPADEZ side wager is placed:
 - a. All dealer and community cards shall be revealed for the purpose of resolving the side wager.
 - b. This procedure shall occur **regardless of the outcome** of any wagers associated with the primary game.
