Notice #2018-49

Issuing Division: Audit

**DATE:** June 27, 2018  
**TO:** All Licensees and Interested Persons  
**FROM:** Terry Johnson, Esq., Board Member  
**SUBJECT:** **Computerized LET Systems**

---

The Board is considering proposing amendments to NRS 463.1036 that would exclude from the definition of associated equipment those computerized systems that are used for the recordation of sales subject to the tax imposed pursuant to NRS 368A.200.

Pending such statutory change and upon receiving a written request from a manufacturer, the Board may waive, pursuant to Regulation 14.260(2), the approval requirement for any such computerized system, provided that the system complies with applicable standards set forth in Version 8 of the Entertainment and Information Technology Minimum Internal Control Standards, as well as the admission charge display requirement set forth in NRS 368A.200(3) and NAC 368A.460.

These waiver requests are to be submitted to the Board Chair and must include the name and version number of the system, as well as written attestation from the manufacturer that the system complies with all applicable Minimum Internal Control Standards, Nevada Administrative Codes, and Nevada Revised Statutes.

Please call Audit Division Special Agents Shelley Newell or Lana Balasky at (702) 486-2060 if you have any questions.
