Checklist Completion Notes:

- 1) Unless otherwise instructed, examine a completed document for compliance for those questions referring to records/documentation as indicated and recalculate where appropriate. Indicate (by tickmark) whether the procedures were confirmed via examination/review of documentation, through inquiry of personnel or via observation of procedures. Tickmarks used are to be defined at the bottom of each page.
- 2) All "no" answers require referencing and/or comment, and should be cited as regulation violations, unless the Board Chair has granted a MICS variation or the question requires a "no" answer for acceptability. All "N/A" answers require referencing and/or comment, as to the reason the procedure is not applicable. All exceptions noted should be carried to the internal auditor's report/summary of findings for timely follow-up.

MICS Variations and Regulation Waivers:

Obtain copies of MICS variation and regulation waiver requests and NGCB correspondence regarding such requests from appropriate personnel.
