

## Bonus Spin Xtreme Power Up - \$2 Blackjack Game Rules

*Bonus Spin Xtreme Power Up – \$2 Blackjack* is a fixed-amount progressive wager that can be configured at Blackjack tables using 1, 2, 6, or 8 decks of cards. The amount of this wager may be configured as \$2. This wager may also be optional or mandatory at the discretion of the operator. The wager will be placed alongside the main wager before any cards are dealt. The game is then played as normal. The wager is resolved when a qualifying trigger event occurs.

Trigger Events – If a player is dealt an initial Blackjack (an Ace and a ten-valued card) on the hand the Bonus Spin Xtreme Power Up wager was placed on, then they will be awarded a spin of the base prize wheel, as detailed below.

### **Options:**

Casino operators can choose from the following:

- The operator can configure the side wager as optional or mandatory.
- The progressives are designed to be linkable across other games using Bonus Spin Xtreme (locally only) if the operator chooses.
