Book Wagering

Compliance Training

The Nevada Gaming Control Board's Enforcement Division announces the launch of online Book Wagering Reporting beginning October 1, 2019.

Each licensee responsible for the submission of Book Wagering Reports must designate one or more users to submit these reports online and ensure such persons have access accounts for the system. This must be done by the Location Administrator for each property. If you have any questions regarding this process, please contact Rebecca Garcia in the Enforcement Division at (702) 486-2210 or rgarcia@gcb.nv.gov.

This presentation is for educational purposes only. Opinions or points of view expressed in this presentation represent the view of the presenter, and does not necessarily represent the official position or policies of the Nevada Gaming Control Board or the Nevada Gaming Commission. Nothing in this presentation constitutes legal advice. The individuals appearing in this presentation, if any, are depicted for illustrative purposes only and are presumed innocent until proven guilty in a court of law.

Getting Started

Access to Book Wagering forms is available through the NV Gaming Control Board site at <https://gcbapps.nv.gov/>

User Accounts must be assigned by the Location Administrator to gain access to Regulatory Forms for Book Wagering. To get a user account for access to Book Wagering:

- The Location Administrator, for the licensed location, creates and/or assigns the user account. Every location has a Location Administrator.
- The Location Administrator will search for the user that has been designated to create and submit their BWR forms and either
 - 1) Add the Regulatory Forms application to their existing account or
 - 2) Create a new user account and add the Regulatory Forms application to the new user account.
- **Compliance** requirements for book wagering are found at <https://gaming.nv.gov/index.aspx?page=51>
 - Following this process helps to keep gaming industry locations in compliance per the NV Gaming Control Board industry statutes and regulations.
